**Want to improve access to research for your child?**

### Join the Conversation!

- **Who?** - Any parent with a child diagnosed with Cerebral Palsy
- **What?** - A secure, anonymous online survey with questions about barriers to participating in research and ways we can help make it easier.
- **When, Where, How?** You can scan the QR code above and take the survey at your convenience on your phone or computer. The survey should take no longer than 10 minutes to complete.
- **You will receive \$10 upon submission of survey.**
